

WMJ

Thank you to our reviewers

The *WMJ* would like to thank everyone who served as manuscript reviewers in 2010. Manuscript review is an important collegial act and is essential to the integrity of *WMJ*. We are grateful for the assistance of these individuals in ensuring authors receive prompt, objective, and insightful feedback on their work.

The *WMJ* continually seeks to expand our list of highly qualified reviewers. We are looking for reviewers who can be objective, insightful, and respond in a timely manner. Reviewers receive manuscripts electronically and are asked to review and return the manuscripts with comments within 4 weeks. All reviews can be completed online. Guidelines for reviewers are available at www.wmjonline.org.

Interested physicians and other health care professionals should e-mail wmj@wismed.org. Please include your name, preferred e-mail address, specialty, at least 3 areas of expertise or interest and current and previous practice location, along with how often you are willing to serve as a reviewer. If you have questions, contact Deana Hipke at 608.442.3752 or e-mail wmj@wismed.org.

advancing the art & science of medicine in the midwest

WMJ

WMJ (ISSN 1098-1861) is published through a collaboration between The Medical College of Wisconsin and The University of Wisconsin School of Medicine and Public Health. The mission of *WMJ* is to provide an opportunity to publish original research, case reports, review articles, and essays about current medical and public health issues.
